IEEE Women in Sensors™

IEEE APSCON 2027
IEEE Applied Sensing Conference
Hyderabad, India // 15-17 March 2027

FAMILY CARE GRANT

The IEEE SC Family Care Grant Program supports attendance at IEEE APSCON 2027 by covering family care costs (including children, seniors, disabled needs) up to $400 USD for those with competing family responsibilities. This grant is an initiative sponsored by Women in Sensors.

GRANT VALUE

Up to

$400 USD

toward actual expenses.

A lower amounts may be awarded based on the committee's evaluation.

ELIGIBILITY

- The applicant must have submitted at least one technical paper for IEEE APSCON 2027 (main conference paper) and completed full conference registration.
- Open to IEEE members of any grade or gender, based on need and desire to attend the conference.
- Responsibilities include childcare, elder care, and sick care.
- Applicants must confirm no other family care grants have been received (IEEE, institution, etc.).

HOW TO APPLY

Applicants must be IEEE members and submit the following:

A A letter with applicant information: name, affiliation, IEEE membership number and grade, disclosure if any other family grants have been received.

B A narrative proposal (max 2 pages) summarizing financial responsibilities.

C A letter of recommendation from an IEEE member (max 1 page).

D A letter with an estimation and detailed description of the expenses.

A single pdf file merging the 4 Files A, B, C and D must be submitted.

Priority will be given to those with an accepted paper at the conference.

REIMBURSEMENT

The recipient must anticipate expenses and submit a post-event report within 30 days after the conference to receive reimbursement. Once the post-event activity report has been received, the recipient will receive the Grant Acknowledgement Form and instructions.

Applicants must confirm no other family care grants have been received (IEEE, institution, etc.).
